Something to make you smile!

A man and his wife walked into a dentist's office.

The man said to the dentist, "Doc, I'm in one heck of a hurry. I have two buddies sitting out in my car waiting for us to go play golf, so forget about the anaesthetic, I do not have time for the gums to get numb. I just want you to pull the tooth and be done with it! We have a 10:00am tee time at the best golf course in town and it's 9:30 already...I don't have time to wait for the anaesthetic to work!"

The dentist thought to himself, "Well, well, at last a golfer with real courage!!"

So the dentist asks him, "Which tooth is it sir?"

The man turned to his wife and said, "Open your mouth, honey, and show the dentist."

Keep well and good golfing,
Rex Langthorne AM - President
