Next Event:

Mollymook weekend of Golf with the ACT Division

The event includes:

1. ACT v NSW for Ossie Ratford Shield on Sunday May 6th
2. NSW Jacket and Shawl Event on Saturday, May 5th

The main event is the Ossie Ratford Shield, currently held by ACT. However, as in the past, many participants make it a very enjoyable weekend of Golf, by playing in both events.

There will be an evening function on the Saturday night, which will include a meal and even a drink or two at the Mollymook Golf Club on the beach. A booking has been made for 30 people at 7:30pm.

As always, Right Handed guests are very welcome to participate on both days.

Ossie Ratford Shield

When: Sunday May 6th

Where: Hilltop Golf Course, Mollymook

Tee Time: From 7:30am. (Members playing in this event only, and travelling on the Sunday, will be allocated as close to 8am as possible)

Cost: \$80 which includes green and competition fee and a share cart for two players. For those that decide to walk the course the charge will be \$60.

Carts: 14 carts have been pre-booked so there is no need to contact the pro shop to order a cart. If we receive more entries on either day, we will make arrangements with the club. For those who have not played the course previously it is very hilly, so a cart is recommended.

NSW Jacket and Shawl Event

Lefties play for the Jacket, Righties play for the Shawl

When: Saturday, May 5th

Where: Hilltop Golf Course, Mollymook

Tee Time: From 12 noon **Cost:** \$80 which includes green and competition fee and a shared cart for two players. \$60 for non-cart users **Carts: as above**

Membership:

Membership fees are again due. You can pay via the website independently or when registering for the next event.

At the recent committee meeting it was decided to increase the annual fee to \$30 to ensure that we cover all costs associated with running the association including annual prizes and essential public liability insurance.

From George Duncan on St Andrews "You can play a damned good shot and find the ball in a damned bad place". How many of us have experience that situation?
