National Championships 2015

Your Nationals Committee has been putting together what is turning out to be a fine tournament and exceptional week of golf for Port Macquarie in October 25-30.

Entries are progressing well, and closing at the end of September, so book sooner rather than later.

There's a great week of golf, with some challenging courses at Wauchope, Port Macquarie and South West Rocks. And we also have a great programme of expeditions and activities for non-golfing attendees.

Lynwood Friday 17th July

The Lynwood curse returned.

Sadly due to previous rain and weather, the Lynwood club was not able to let carts onto the course for our game there.

With that in mind, and also the weather predictions for our day, it was decided by the Match Committee to cancel the event.

Sadly the weather at Lynwood does not seem to favour our Association. Last time we visited this course it blew an horrendous gale and our Captain called the match off after nine holes.

The intention is to discuss with the club with a view to get a new date in the spring if it fits with scheduling.

State Championships 2015

Our upcoming State Championships this year will be held on 29 September at the testing Twin Creeks course. All members are welcome to play on this day, but this year, as opposed to previous years, to be eligible to win the NSW State Championships, NALGA NSW Members must have played in at least two preceding NALGA 2015 events.

Enjoy your golf!
