

Mollymook Hilltop Jacket and Shawl / Ossie Ratford Shield

Once again Mollymook turned on the sunshine for us on the Saturday with a spectacular day. The golf course once again proved to be the winner on the day with only one person playing to handicap and winning the Green Jacket.

Since last year lights on the 17th and 18th haven't been installed which proved challenging... well impossible for the last few groups to be able to complete the course on the day sadly. With this in mind, the committee are holding discussions with other venues for next year as the previous 3 years have finished in the dark on the Saturday... personally I played better in the dark!

Jacket Winner: Craig McHatton

Shawl Winner: Simon Neely

2BBB: John Spargo and Dennis Allen

Sunday – Ossie Ratford Shield

An early rise for all with tee off's from 7am in the morning... however once again the weather started perfectly but literally had four seasons in 15 minutes on the course.

The event once again was close at the finish and discussions of changing the rules on the Saturday night in NSW's favour were not needed as NSW blitzed the ACT by 0.9 of a shot to win the trophy back for NSW!

Scoring... Hilltop 1... Golfers... 0

Craig McHatton led the scoring once again with 34 points, runner up ... who remembers came second! Bruce Richardson – 33 points

Jim Jackson was the winner for ACT along with Bob Murphy Runner up on 30 points

We had a sponsor on the day with some equipment from Go Low. This was handed out to the Bradman winners... Sid Farrell and Mick English... and yes they did go low on points!

Notable mention of one right handed player who amassed a total of 5 points for 18 holes ... this was deemed too low to be eligible, and yes he played out all holes.

Next Event

Renamed Lakeside Golf Course Camden – Thursday 27th June
