Survey

As mentioned, numbers were very disappointing for the Championships. The matter was much discussed over a drink in the club house afterwards and it was suggested we should try to ascertain why this was so. Therefore, attached is a survey which we would very much appreciate you taking a minute to fill out and return. This will help the committee decide if the event should be revamped in some way. You should be able to reply to the survey electronically, if not give me a hoy.

Thursday 4th December - Shot Gun Start 12.30pm
Final Round Mollydooker Challenge
Final Round NALG-NSW Bowl and Vase

Avondale Golf Club is in superb condition for this event.

The course is looking an absolute picture and the catering as we know is one of the best in Sydney.

The final round of the inaugural Mollydooker Challenge will be concluded at Avondale.

As we know, any one of the top five, Bernie Moase, Allan Coles, Bruce Richardson, Calvin Jacob, or Stephen MacDonald will win the weekend for two at Bonville Golf Resort should they win at Avondale. However mathematically, providing results go their way, a number of other players could also collect the major prize.

Don't forget, those players who have played all events your worst score has been excluded.

The NALG Bowl and Vase competition results are also attached but, unlike the Mollydooker Challenge, Bernie Moase only has to turn up to win.

Avondale is shaping up to be an exciting day of golf with a fun night to follow. Why not put it in your diaries now. Full details and entry forms will be available shortly.
