NTP 9th John Janetzki

Tony Barr Point Score leaders after this event

Jeff Gill 8 points

Justin Anderson 7 c/b

Craig McHatton 6

Warwick Stanwell 5

John Besant 4

Peter Golding 3

Next Event.

Our next event will be on 6th and 7th April at the Moss Vales Golf Club. Unfortunately, the dates had to be changed due to the Tom Jones concert the weekend we had arranged resulting in accommodation being booked out. Apologies for any inconvenience.

This will be the annual event against the ACT Division where we will be defending the Ossie Ratford Shield won last year. The Saturday will be the Jacket (best left hander score) & Shawl (best right hander) with a late tee off. Sunday will be the Shield event where the best average score will win the shield. This will be an early morning tee-off. Full details will be available in the near future. This is always a fun weekend.

2024 National Championships.

Victoria Division will be hosting this year's event on the Bellarine Peninsular south of Geelong 10th to 15th November. Some excellent courses have been booked. Full details plus entry form can be found at lefthandedgolfaustralia.com/national-championships.

2025 National Championships

Investigative work has been done in relation to NSW hosting the 2025 National Championships. A report will be provided to the committee in the near future for final decision. Once approved we will be looking for people to join an organising committee to undertake specific roles.
